Dear Judge Gordon

My name is Shawn Winbush I am currently being held at ECCF I've been here six month without a disciplinary report There are only two units that houses federal inmates at this jail there are many factions in existence in both units I have ended up on the bad side of a certain element and because there is only one of me I was forced to Exit, Now and for the last twenty six days I've been living on the gang unit where you are in your cell for nineteen to twenty hours aday also you are not allowed to buy food from canteen that requires cooking because your not allowed your hot pot or a walkman I request that I'd be sent back to Plymouth County so that I might obtain suitable living conditions

Thank you Respectfull  
Submitt Shawn Winbush
